

# 100W 24V Standard Driver

LEDD-IP10024

COM

Product Reference: LEDD-IP10024

Our fossLED 100 watt LED drivers is 24VDC and IP rated & includes features such as short circuit, overload and thermal protection thus ensuring a safe and durable product,

## Technical Specification:

Output	Output Power Voltage Rated Current	100w 24v 4.2A
Input	Input Voltage Range AC Frequency Power Factor Efficiency Inrush Current	200 - 240V 47 - 63 Hz >0.65 >91% 70A
Environment	Working Temp Store Temp	-30°C - +70°C -40°C - +80°C
Protection	Short Circuit  Protection Rating SELV / ERP / EMC / LVD / UKCA / CLASS 2 Over Voltage	Hiccup Mode, Auto-recovery after fault condition is removed IP67 Yes  26-28V Shut down output Voltage, re-power on to recover
