

# 60W 24V Standard Driver

LEDD-IP6024

COM

Product Reference: **LEDD-IP6024**

Our fossLED 60 watt LED driver is 24VDC, IP Rated & includes features such as short circuit, overload and thermal protection ensuring a safe and durable product.

### Technical Specification:

<b>Output</b>	Output Power	60w
	Voltage	24v
	Rated Current	2.5A
<b>Input</b>	Input Voltage Range	200 - 240V
	AC Frequency	47 - 63 Hz
	Power Factor	>0.65
	Efficiency	>90%
	Inrush Current	60A
<b>Environment</b>	Working Temp	-30°C - +70°C
	Store Temp	-40°C - +80°C
<b>Protection</b>	Short Circuit	Hiccup Mode, Auto-recovery after fault condition is removed
	Protection Rating	IP67
	Safety	U8750, EN60950-1, EN 62368-1
	CLASS 2	Yes
	Over Voltage	26-28V Shut down output Voltage, re-power on to recover
