

### Benefits

- Easy to use – Just plug and play
- High efficiency
- Promotes inconspicuous installation

### Key Features

- Depth of 16mm
- Integrated JB4 distributor ports
- 2m mains cable included
- Short circuit & overload protection
- Surge and thermal protection

### Product Overview

Accompanying the existing Titan range, this new 60W dimmable version builds upon the existing model while adding more functionality.

Still boasting a streamlined body and integrated JB4 ports, this new model has been developed to be compatible with most dimming switches, whether trailing or leading edge, as well as having a wide dimming range of 5% – 100%.

The Titan also features a wide range of safety features, such as protection from short-circuiting, overloading, and electrical surge.

### Technical Specification

|                           | 30W            | 60W            |
|---------------------------|----------------|----------------|
| Rated Input Voltage (Vac) | 220-240        | 220-240        |
| Input Voltage Range (Vac) | 198-264        | 198-264        |
| Frequency (Hz)            | 50/60 ± 3%     | 50/60 ± 3%     |
| Output Voltage (V)        | 24 ± 5%        | 24 ± 5%        |
| Output Current (A)        | 1.25           | 1.25           |
| Short Circuit Protection  | Yes            | Yes            |
| Overload Protection       | Yes            | Yes            |
| Thermal Protection        | Yes            | Yes            |
| Surge Protection          | Yes            | Yes            |
| Operating Temperature     | -20°C to +40°C | -20°C to +40°C |
| Humidity                  | 10% to 90%RH   | 10% to 90%RH   |
| Mains Cable Length (M)    | 2              | 2              |
| Number of JB4 Ports       | 6              | 10             |

### Order Codes

| Description               | Order Code | Barcode       |
